FOR IMMEDIATE RELEASE

November 1, 2020

Ren-Pharm Executive Elected to the Board of Directors of the Drug, Chemical & Associated Technologies Association

Robbinsville, NJ – Scott Price, Vice President, Sales, at Ren-Pharm International, has been elected to serve on the Board of Directors of the Drug, Chemical & Associated Technologies Association (DCAT) beginning November 1, 2020. Together with the ten other members of DCAT’s Board of Directors, Mr. Price will help develop and guide the organization’s strategic plan in a manner to best serve the organization’s 500+ member companies.

“We are pleased to have Mr. Price join the board,” said DCAT Executive Director Margaret Timony. “We rely on board members to bring innovative ideas and strategies to the table so we can continue to give our members relevant, valuable services. I’m confident Mr. Price’s industry expertise, energy and commitment will make a positive impact.”

DCAT’s Board of Directors has the authority and responsibility for the governance of the organization. Its members serve as thought leaders who develop and guide the organization’s strategic plan, establish and implement policy, and manage financial matters in a manner to best serve member companies.

“Mr. Price was the recipient of DCAT’s 2020 Volunteer Spirit Award that recognizes outstanding volunteers who create, innovate and serve in a way that strengthens the overall organization. He brings unique qualification and experiences to his role that will undoubtedly help shape and support the organization’s programs and projects,” said Sean Diver, DCAT Board President and Director, Commercial Development, Small Molecule Drug Substance at Lonza AG. “I look forward to his continued contributions and support of the organization.”

###

About DCAT

The **Drug, Chemical & Associated Technologies Association (DCAT)** is the premier global business development association focused on the biopharmaceutical/pharmaceutical manufacturing value chain. DCAT is composed of 500-plus corporate members whose unique membership model includes both innovator and generic drug companies and contract service providers and suppliers of pharmaceutical ingredients, development and manufacturing services, and related technologies. DCAT is a well-established and highly respected association that has been serving the pharmaceutical industry since 1890. DCAT provides representatives of DCAT member companies a collegial community to build their network of customers and suppliers, keep engaged, and gain valuable industry knowledge to advance their business. DCAT is a 501(c)6, not-for-profit, member-supported association. Further information on DCAT membership may be found at www.dcat.org.
